- School boards must also ensure a healthy and secure working environment for their staff, and the staff must participate in ensuring a safe and respectful working climate.

- The plan is designed to support the optimal conditions required to guarantee the fundamental right to dignity, equality, and integrity, while respecting the unique character of each individual.

School Community Parties:

DEFINITIONS as applied in ABAV

Bullying

- “the word “bullying” means any repeated direct or indirect behaviour, comment, act, or gesture, whether deliberate or not, including in cyberspace, which occurs in a context where there is a **power imbalance** between the persons concerned and which causes distress and injures, hurts, oppresses, intimidates or ostracizes” ([art. 13, par. 1.1, QEA](#)).

Violence

- “The word “violence” means any **intentional** demonstration of force of a verbal, written, physical, psychological or sexual nature which causes distress and injures, hurts, or oppresses a person by attacking their psychological or physical integrity or well-being, or their rights or property” ([art. 13, par. 3, QEA](#)).

Sexual Violence

- “The concept of sexual violence refers to any form of violence committed through sexual practices or by targeting sexuality, including sexual assault. It also refers to any other misconduct, including that relating to sexual and gender diversity, in such forms as unwanted direct or indirect gestures, comments, behaviours or attitudes with sexual connotations, including by technological means.”

1. ANALYSIS OF THE SITUATION

Description of the findings that emerge from the situation analysis with respect to bullying and violence

From the Our School Survey Report from March 2023 as compared to the previous year, protective factors such as positive sense of belonging, positive peer relationships, and positive student-teacher relationships are below the Canadian norms. Advocacy at school and outside school are the same as the norms. Students who feel bullied and experience anxiety are slightly higher than Canadian norms.

It is believed that the unstructured times such as recess and lunch are the most problematic with respect to bullying and violence.

Priorities identified with respect to bullying and violence

To help students acknowledge when an incident is bullying, violent, mean etc.

To emphasize the importance of respect and kindness.

To encourage students to report incidents to adults.

To ensure the safety of the staff.

To involve parents in supporting the school with regards to bullying and violence.

2. PREVENTION MEASURES

LBPSB sanctions its schools and centres to carry out additional measures to promote Equity, Diversity, Dignity, and Inclusion (E.D.D.I.) for all the parties of the school community and their partners.
