- To approve for next year: Subway & pizza lunches, BoSapin, Olivers Labels, Book Fair, artisan market for next year.

f) PC Rep

- Next meeting is May 15.
- Library staffing: seems to be shortage of librarians or librarian funding
- Bill 94 (religious symbols in schools).
- Discussion that if school board funds were to be used for legal counsel for these bills, GB should be consulted beforehand.

9) Correspondence/Consultation

a) Three-Year Plan of Allocation and Destination of Immovables 2025-2028 (By June 13th 2025)

- Was approved last year but school board made changes
- Outlines the plans and renovations at Lakeside for our K4/K5 wing
- Renovations to start as soon as school ends
- Outdoor play areas included in the renovations
- *Question*: Should we require that we have one parent member on Governing Board from that wing? *Answer*: This recommendation has been put out many times.
- How to reply to the consultation: We are satisfied with what is outlined in the consultation. We should thank them for recognizing that we need a proper preschool space, being responsive, putting care and diligence into the plans.

10) Questions from the public

None.

11) Varia

Question: A parent from K4 is concerned that going to K5 is 100% French but K4 was English. They feel there wasn't enough exposure to French in K4.

Answer: English helps to get them comfortable in the space and get them understanding how classroom works. We understand that most students are anglophone so the K5 year starts bilingual. The use of French increases as the year goes on.

12) Next meeting

a) Wednesday June 11th 2025 in person (at Maple Grove)

- Motion to spend the remainder of our budget on food for next meeting by Cathenna Michaud, seconded by Joanne McGee, voted unanimously in favour. To be managed by Lorraine Deliva.

13) Adjournment

Motion to adjourn by Cathenna Michaud at 7:36pm.
