Maple Grove Elementary School Governing Board 2020-2021

Principal's Report – June 2021

As the school year comes to a close, I would like to thank all Governing Board members for their contributions this year. By getting involved in your child's school, you model for your children that their education is important to you. Thank you.

I would also like to thank the entire Maple Grove staff for everything they have done through this incredibly challenging year. To quote from something a parent said in a recent meeting, we have a dream team here and our staff have gone over and above all year long to keep the kids safe and happy and learning.
